

Only two changes -

Page 16 – all sections – The repeat has been moved for this piece. At the end of the piece, return to the 1st bar at the top of the page 16 and repeat to the end of the page.

Page 22, 2nd bar – alto – makes the crotchet of the word 'rings' into a quaver in order to allow proper breathing time for the next phrase.

Music for next week is a run through, including any corners needing work from last night.
